## NEW PARTNERSHIP FOR COMMUNITY SUPPORT | PASS IT ON, EAST SUSSEX SCHOOL UNIFORM

We are delighted to announce the formation of a new partnership with Pass It On, East Sussex.

This inspiring organisation, powered by a dedicated group of volunteers, manages the collection and redistribution of donated school uniforms, embodying a wonderful spirit of community and sustainability. The service is offered free of charge to local families, sustained by the generosity of swaps or small voluntary donations. We look forward to supporting their vital work!
